Horse Dragged Him One Hundred Yards
Clyde Reynolds was rather painfully
hurt Monday evening while he was rid-
ing in Northview, and narrowly escaped
a broken neck or limb. His horse be-
came frightened at a well drill and ran
away. He became so uncontrollable that
Mr. Reynolds concluded to jump off, and
in doing so one of his feet hung in the
stirrup and he was dragged about 100
yards. Fortunately, the only injuries
sustained were a few rather severe
bruises.

Jay Reefer returned Tuesday morning
from a business trip to Washington.

NATURAL GAS RATES

The following prices for cook stoves,
lights and gas sold by meter for domestic
use will be charged by the Clarksburg
Light & Heat Company beginning July
1, 1904:

Gross Rates.
Cook stoves, per month.....\$1.10
Jets, per month..... 11
Gas by meter (for domestic use),
per 1,000 feet..... 12
If paid on or before the 10th day of
each month there will be allowed a dis-
count from above prices of 10c on each
stove, 1c on each light and 2 cents on
each 1,000 feet of gas used through meter
for domestic purposes, making the net
prices:

Cook stoves, per month.....\$1.00
Jets, per month..... 10
Gas by meter (for domestic use),
per 1,000 feet..... 10
Meter readings for June will be
charged for at rate heretofore charged
by the old companies.

In fixing the above rates the new com-
pany has made use of the original prices
adopted by the West Fork Oil and Nat-
ural Gas Company at its organization.

It is not the desire of the new com-
pany to benefit by the forfeit of any
cash discount by its customers, the ob-
ject being to encourage the prompt pay-
ment of gas accounts, so the company
can promptly close its books.

After July 1, 1904, the office of the
West Fork Oil and Natural Gas Com-
pany will be discontinued, and all ac-
counts due them will be collected at the
office of Clarksburg Light & Heat Com-
pany, in Oak Hall building, on Main
street, present office of Mountain State
Gas Company.

Foreigners Have Altercation.

Ignatius and John Klapis, two foreign-
ers working at the Pinnickinnick mine,
appeared in Magistrate Riley's court
Tuesday afternoon to answer to a war-
rant which had been issued against them
by another foreigner with an unpro-
nounceable name charging them with un-
lawfully shooting firearms Sunday morn-
ing. It seems they were drunk and be-
came involved in an altercation with
some other miners over a girl and they
began shooting to frighten them. The
matter was compromised between them
and the warrant was dismissed at the
request of the complainant, who paid the
costs.

Bride and Groom Arrive.

Mr. and Mrs. J. Walter McClintie, who
were married in Richmond last Wednes-
day evening, arrived in this city Monday
night and have taken up their residence
with Mrs. Mason, on West Main street.
The happy couple are being showered
with congratulations and best wishes.
They intend going to housekeeping later
and make this city their permanent
home.

ARRESTED FOR DISORDERLY CONDUCT ON STREET CAR

Charles Peters, a workman at Gras-
sell, was arrested by an officer Tuesday
evening on the car line east of the city
after he had been ejected from car No.
12 by a conductor, and taken to jail.
A warrant was sworn out against him
in Magistrate Riley's court charging
him with disorderly conduct on a street
car. He was in company with several
other fellows and became disorderly on
the car, when the conductor stopped the
car and put him off. The men stopped
along the track and were waiting for
the car to return when the officer ar-
rested him. It appears Peters had been
drinking. The magistrate held him for
examination on June 24 and released him
under bond.

Miss Anna Dunn and Miss Higley left
Tuesday morning for New York City,
where they will take a pleasure trip up
the Hudson river to White Mountain,
Vermont, at which place they will spend
a summer vacation.

Willison & Dennisor,
REAL ESTATE BROKERS
Rooms 200-201
OAK HALL Bld., CLARKSBURG
CALL ON US FIRST.

If you desire to make a safe invest-
ment in real estate that will bring you
from twenty-five to fifty per cent. in
the next two or three years come and see
us.

There is better opportunities in Clarke-
burg for good paying investment than
any other city in West Virginia. Why?
Because we have the cheapest natural
gas in the world; we are in the center of
one of the greatest coal belts in the
United States. Clarksburg is the freight
center of the State of West Virginia.
Pittsburg freight rates will sooner or
later be effective from this point. This
is the reason large manufacturing plants
are locating here and more to come.

If you have properties you desire to
sell, list them with us, we will find you
buyers.
